Save the Date - Inaugural Maritime Expo and Career Fair May 18, 2013

Please mark your calendars and plan to attend the **Inaugural Maritime Expo and Career Fair** to be held in conjunction with **Baltimore's Celebration of National Maritime Day, 18 May 2013 from 10 AM until 3 PM** at Pier 13 Canton, 4601 Newgate Ave.

Many of you may have previously attended the Maritime Day celebration aboard the N/S Savannah; this year the event will include much more Port of Baltimore specific activities!

Various maritime related businesses and government agencies will have displays and staff on site to provide information about their companies/agencies and discuss career opportunities to the city and county residents we are expecting to attend. In addition there will be numerous small craft; tugs, survey vessels, patrol craft, pilot boats, training vessels as well as the N/S Savannah, will be open for tours.

If you would like to be an exhibitor and or sponsor, please contact me soonest so we can work out the details and make preparations for your participation on the 18th. Also feel free to tell your family and friends about the Maritime Day event as this will be an excellent opportunity for them to learn about the port, see various vessels and working watercraft and enjoy the ceremony aboard the N/S Savannah.
